

Why Ghost Brackets?

NEWS!!!

Ghost Brackets now have a new home and a new name, EDGE Brackets.

With new and improved features and fitments, yet still the same great customer service and engineering of CAO Distributing, Inc., EDGE Brackets are a leader in Quick Release Detachable Saddlebag Systems.

À À

We have found that many of the other bolt on saddlebag brackets are much higher in price then Ghost Brackets saddlebag system which offer the same idea but with a twist. You will never have to unbolt your bags again, each time you want to remove them from your motorcycle just turn the key and lift up, voila your bags are now free to move for safe keeping.
